### **9. Clarifications**

Participation in the programme is regulated as outlined in this document. OVS S.p.A. reserves the right to make changes to this programme, without prejudice to the rights acquired by the members up to that moment; in this case, OVS S.p.A. commits to communicating these changes with at least 30 calendar days of prior notice. Any changes will take effect from the date indicated in the relative communication. An updated version of this document is available on [www.gap-italia.it](http://www.gap-italia.it). If a member does not accept the changes made, they have the right to cancel their enrolment in the programme, a right that they have in any case in any moment.

It is the responsibility of the member to ensure that the contact and participation details are correct and active; if this is not the case the participation in and/or use of the entitled benefits will not be guaranteed.

If there should be any use of methods and/or tools that are fraudulent and/or in violation of what has been established in this document, the members involved will be excluded from the programme and will lose all possible rights. Thus, OVS S.p.A. reserves the right to proceed, in the terms deemed most appropriate and subject to applicable laws, by limiting and suppressing every initiative that has the purpose of eluding the system and the mechanics of the programme.

### **10. Communication**

The communication of this initiative is carried out through participating GAP stores/outlets, through [www.gap-italia.it](http://www.gap-italia.it), and every other means that OVS S.p.A. deems appropriate.

### **11. Processing of personal data**

The personal data provided by the interested party when signing up to the programme, or

later, are processed by OVS S.p.A., the data controller, in full compliance with EU Regulation 2016/679 (GDPR), according to the policy provided during enrolment.

## **12. GAPID**

GAPiD is a digital card that facilitates the recognition of the member and thus allows them to easily access the benefits of this initiative.

Subscription to GAPiD is reserved for natural adults living in Italy "consumers" pursuant to art. 3, comma 1, letter a), Legislative Decree 206/2005.

OVS S.p.A. employees may not take part in the initiative.

GAPiD can be requested at participating GAP stores/outlets with the dedicated tablet; when creating the GAPiD profile a digital card is created and can be used immediately; the holder is sent <sup>(B)</sup> an email confirming the creation of their GAPiD profile with a summary of the data and consent given.

GAPiD is free, does not have an expiry date, is personal, is non-transferable and can only be used by the owner in stores/outlets participating in the programme (indicated in paragraph 4).

To obtain a GAPiD the owner must provide personal data and contact details, which are processed in conformity with privacy regulations.

Purchases made with GAPiD cannot be refunded in cash, except in the cases provided by law.

In the case of theft or loss of GAPiD, a request should be made to have it immediately blocked and have a new one issued for free in a participating GAP store/outlet with dedicated tablet.

During the period of validity of the initiative, specific benefits, in specific periods, may be added for new GAPiD subscriptions, that will be communicated in the manner deemed most appropriate.

*<sup>(B)</sup> OVS S.p.A. does not assume any responsibility for the members' failure or delay in receiving the email for reasons that cannot be attributed to them (examples included but not limited to: the email address provided being incorrect or incomplete or non-existent or no longer active; the mailbox being full; no reply from the host computer after the email has been sent; the mailbox has been disabled; the email has been added to a black list; the mailbox automatically sends the message to the junk mail or advertising folder; etc.).*

The GAP Advantages Scheme is an initiative promoted and managed by OVS S.p.A.; it is therefore in no way linked, associated or affiliated with initiatives and/or loyalty programmes managed by Gap Inc.

*Initiative excluded from the application of D.P.R. 26.10.2001, no. 430.*
